TRANSPORT for LONDON 5 YEAR
**INVESTMENT
PROGRAMME**

PEOPLE LIKE TO WALK...

...it is non-polluting, available all year, accessible to most and cheap! Walking is a means of transport, exercise, relaxation and well-being. Join in enjoying the Beck Corridor!

This pack includes walk cards for the Beck Corridor Trail and circuits in its vicinity. The routes are suitable for adults and children and notes on accessibility are provided. These may be undertaken as short walks or combined to offer more challenging routes. The Green Transport Trail describes views from transport networks in the Beck Corridor area.

This pack forms part of the 'Walking with Beetles' initiative, created by the London Borough of Bromley as part of the SUN Project, with support from Transport for London and the EU LIFE Environment Programme. **For more details:**

Come and Explore

The Beck Corridor

This pack promotes healthy walking through green spaces close to Beckenham and West Wickham in the vicinity of the River Beck – an area loosely defined as ‘The Beck Corridor’.

The walking routes suggested in the pack are suitable for novices and experienced walkers alike. They are suitable for those who want to participate more regularly in ‘green exercise’ or to simply explore more of the area. As well as the eight easy to use walk cards, incorporating notes on accessibility, the pack provides information on walking for health and green transport in the area. Individuals, groups and families – come and enjoy the Beck Corridor!
